STAND 21 BY BRM

THANKS TO A FRUITFUL PARTNERSHIP, BRM CHRONOGRAPHES AND STAND 21 RACEWEAR PRESENT A SERIES OF EXTRAORDINARY WATCHES THAT BEAR THE HALLMARK OF ONE OF THE BEST-KNOWN ACCESSORY MANUFACTURERS IN THE RACING WORLD.

THE BRM V6-44, V6-44HB AND V12-44 STAND 21.

SPORTING EXCELLENCE

Stand 21 has over forty years' experience in providing peace of mind. Our clients can get on with fulfilling their dreams, by driving, fast, while we take care of their safety.

Competitive spirit, attention to detail, a passion for motor sports, skilled craftsmanship and exacting standards are just some of the qualities shared by Stand 21 and BRM Chronographes. It was logical that the two brands team up to produce a special limited edition of three BRM models in Stand 21 colours. Each one comes with an exclusive Stand 21 nomex bracelet and a sport bracelet. There will be just 21 of each model available for purchase.

BRM EXPERTISE

In line with the values that Stand21 Racewear holds dear, BRM has designed one-off pieces with customised faces that meet the most exacting technical standards.

Totally handmade, the BRM V6-44, V6-44HB AND V12-44 STAND 21 will be as securely attached to your wrist as a racing driver is harnessed in his seat. Cases, buckles, lugs, winders and hands are cut, decorated, polished and brushed in our workshops by highly skilled technicians who ensure each model is thoroughly special, right up to the finishing touches.
