

# BRM

*The V8 available in Gulf colours*

A year ago, we presented the first BRM / GULF models. At the beginning of 2012, a new version was created. The V8 model is now available in Gulf colours. Faced with our customers' demand, this model has now been added to the previous two series of V12 models which have already sold out.

This limited edition of 200 V8 automatic chronograph watches will be delivered in a special case, each one fitted with the serial number of the watch stamped onto a small metal plate.

The first models will be delivered in february. We look forward to presenting it at Retromobile from january the 1st to the 5th 2012
