

B.R.M

JOIN THE LEGEND

BRM is offering to just 100 people the opportunity to acquire a unique time keeper, it's a first ! BRM has created a watch with a built in container which has been filled with Gulf oil that was used in the Lola LMP2 Gulf, driven by Gulf drivers. This oil participated in the greatest of all endurance races in 2012. We will be pleased to present it to you in exclusivity on our stand D43, Hall 3 at the Retromobile show - Porte de Versailles from the 6th to the 10th February 2013.
